Permission for USACE Personnel to enter the property

October 26, 2005

Mr. Sindulfo Castillo, Chief
U.S. Army Corps of Engineers
Antilles Regulatory Section
San Juan, Puerto Rico

Dear Mr. Castillo:

Re: Jurisdictional Determination for a property located at road PR-941, km. 2.7, Celada Ward, Gurabo, Puerto Rico (Alborada del Río project)

In accordance with the recommendation from your office to hire a private consultant to perform a Jurisdictional Determination, we have retained the services of Servicios Científicos y Técnicos, Inc. for such work. They are hereby authorized to file said report with your office for approval.

Please also be advised that the Corps is authorized to enter the subject property, at any time that your office deems proper in order to verify the JD findings. No construction will begin at the site pending your final approval.

If you have any questions about this matter, you can contact me at 787-760-1313.

Sincerely,

José Martínez
Proponent,
Alborada del Río Project
