Dear Applicant:

We have reviewed your request for information about endangered and threatened species and their habitats for the above referenced project. Our comments are provided under the Endangered Species Act (Act) of 1973, as amended (87 Stat. 884, as amended; 16 United States Code 1531 et seq.).

Based on a review of the information provided and that available in this office, we do not have records of threatened or endangered species in the project area. Therefore, we do not recommend further consultation for the proposed activity. Nevertheless, if the project is modified or if information on impacts to listed species becomes available this office should be contacted concerning the need for the initiation of consultation under section 7 of the Act.

Sincerely yours,

Edwin F. Muñiz
